The Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

## *The Mace*

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. During the ceremony the mace is displayed on a special stand as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff approximately three feet long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in both Latin and English—"Opera Nobis Aeterna" and "Ours the Task Eternal." From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

## *Coat of Arms*

The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: "Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: on a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules."

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 78 years old. "Ours the Task Eternal" is taken from a Walt Whitman poem entitled "Pioneers" and ties in with the eternal quality of the phoenix.

And so, the Carleton University coat of arms symbolizes sound learning, good citizenship, and the highest hopes of humanity.

## *The Diploma*

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of both the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

## *Academic Dress*

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's—are of the simple or Oxford shape. The bachelor's hood is made of black stuff; the master's and doctor's are made of black silk and all are lined with silver silk with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more and more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: applied science is orange with a black cord sewn slightly in from the lower border; architecture is cerise; architectural studies is cerise with a black cord sewn slightly in from the lower border; arts is white; commerce is camel brown; computer science is royal blue; engineering is orange; humanities is white with a red cord sewn slightly in from the lower border; industrial design is dark cardinal; international business is camel brown with a red cord sewn slightly in from the lower border; journalism is white with a black cord sewn slightly in from the lower border; management studies and business administration is camel brown with a black cord sewn slightly in from the lower border; mathematics is hunter green; music is venetian pink; public administration is peacock blue; public affairs and policy management is teal with a gold cord sewn slightly in from the lower border; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and are meant to recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree, in 1954, to the second Secretary General of the United Nations, the late Dag Hammarskjöld. The tradition of awarding honorary degrees to Secretaries General of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with dark mauve for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; venetian pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; cerise for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

#### *Alumni Park*

Weather permitting, today's Convocation ceremonies are being held outdoors in Alumni Park which was dedicated in 1992, at the initiative of the Carleton University Alumni Association, to commemorate the University's 50th anniversary. The arbour under which the Chancellor, the President and Vice-Chancellor, the representative of the Board of Governors, and the faculty are seated is a generous gift from the Association. It provides a permanent stage for Carleton's Convocation ceremonies and other events

such as theatrical productions, concerts, and the like. Future plans for the Park include an enhancement of the existing fountain area with the construction of a plaza and landscaping to open up views to the Rideau River.

*The Presiding Officer of Convocation is the Chancellor of the University, Marc Garneau, C.C., C.D., B.Sc., Ph.D., LL.D., P.Eng.*

Accompanying him on the podium is Jocelyn Ghent Mallett, B.A., M.A., Ph.D., Chair of the Board of Governors, and Richard J. Van Loon, B.Sc., M.A., Ph.D., President and Vice-Chancellor.

## Roy Romanow

**Roy Romanow, O.C., B.A., LL.B., D.Univ., LL.D.**

Roy Romanow, former Premier of the Province of Saskatchewan, will be awarded the degree of Doctor of Laws, *honoris causa*, at the 9:00 a.m. ceremony on Saturday, June 18, "in recognition of an outstanding career as a politician and advocate of social reform."

Born, raised, and educated in Saskatoon, Saskatchewan, The Honourable Roy Romanow made his first appearance in Canadian politics when elected to the Saskatchewan Legislature in 1967. From 1971-1982, he served as Saskatchewan's Deputy Premier and was responsible for the introduction of a number of justice system reforms, including the creation of the Saskatchewan Human Rights Commission. He was also a key figure in helping Canada patriate its Constitution.

In 1991 he was sworn in as Saskatchewan's Premier, a position he held until his retirement in 2001. During his tenure as Premier, the government balanced the budget and undertook important reforms in health care, among many other accomplishments.

In 2002, Roy Romanow was appointed Commissioner of the Royal Commission on the Future of Health Care in Canada. In 2003, he received the Economic Justice Award from the Atkinson Charitable Foundation and was appointed to the Privy Council of Canada. He is an Officer of the Order of Canada and a recipient of honorary degrees from Brock University and University of Ottawa, and is currently a Senior Fellow in Public Policy at the University of Saskatchewan and the University of Regina, a Visiting Fellow in the School of Policy Studies at Queen's University, and a member of the Security Intelligence Review Committee.

## Alice Groves-St. Jacques

### **Alice Groves-St. Jacques, B.A., École Secondaire Publique de La Salle**

Alice Groves-St. Jacques felt called to a life of teaching and in recognition of a passionate dedication to her vocation, she is being presented with a Patrick O'Brien Outstanding High School Teaching Award.

A graduate of Immaculata High School and the University of Ottawa, her life and career have taken her well beyond the classroom and Ottawa's borders. An accomplished poet, journalist, visual, and musical artist, her varied interests have had a dramatic impact on her teaching.

Her career is the ultimate example of the infinite opportunities open to educators. She has taught creative writing in Lebanon; worked in the House of Commons as an educational writer, researcher, and public relations officer; taught English as a Second Language; was Head of English at the Francophone Adult Education Centre; and worked as a provincial training leader for the Ministry of Education, among countless other professional endeavours.

She has acted as a mentor, motivator, trainer, and innovator. Never seeing herself as being confined to a classroom, Alice Groves-St. Jacques has always sought out opportunities for professional and personal development. She sets an example to her students of the importance of seeking challenges in life, education, and career.

She currently teaches English at l'École Secondaire Publique de La Salle.

## James Kent

### **James Kent, B.A., Immaculata High School**

The Patrick O'Brien Outstanding High School Teaching Award carries a particular personal meaning for James Kent. Born and raised in Ottawa's west end, Kent, as a student at Ottawa's St. Pius X High School, was coached and mentored by Pat O'Brien, who helped him realize the importance of education and the value of using one's own gifts and talents to assist others.

An avid sports fan, Kent has been involved in sports his entire life and has coached countless community and high school teams. He has also coached basketball at Algonquin College and is also currently coaching at the university level.

Kent has been involved in education for over 20 years, as a classroom teacher, subject adviser, and department head at St. Matthew High School. He is currently a Vice-Principal at Immaculata High School in Ottawa. He is also a Carleton alumnus (B.A./85).

Although his roles have changed over the years, James Kent continues to stress the importance of a well-balanced education for all his students while recognizing individual needs, abilities, hopes, and dreams.

*O Canada! Our home and native land!  
True patriot love in all thy sons command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.*

*O Canada! Terre de nos aïeux,  
Ton front est ceint de fleurons glorieux.  
Car ton bras sait porter l'épée,  
Il sait porter la croix.  
Ton histoire est une épopée,  
Des plus brillants exploits.  
Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits.  
Protégera nos foyers et nos droits.*

## Paul Okalik

### Paul Okalik, B.A., B.L.

Paul Okalik, Premier of the Territory of Nunavut, will be awarded the degree of Doctor of Laws, *honoris causa*, at the 4:00 p.m. ceremony on Saturday, June 18, "in recognition of an outstanding contribution to the development of Nunavut."

The Honourable Paul Okalik was first elected to the Legislative Assembly of Nunavut in 1999 and was subsequently voted in by his caucus colleagues to become the first Premier of Nunavut. In 2004 at the leadership forum in the Nunavut Legislature, he was selected in the non-partisan consensus government system in place in Nunavut to serve a second term as Premier. His responsibilities as Premier have a tremendous impact on Nunavummiut and the growth of Nunavut.

Okalik is a person who cares deeply about Nunavut, its people, and the role Nunavut plays within the rest of Canada and the circumpolar world. He strongly believes that lifelong learning and enhanced skills are the key to individual and national prosperity.

In the early 1980s, Okalik worked as Deputy Chief Negotiator and Special Assistant to the President of Tunngavik Federation of Nunavut, which pushed for a settlement agreement that had been evolving for generations. Signed in 1993, the Nunavut Land Claim Agreement became the largest land claim in Canadian history. Okalik went on to lay the groundwork for the creation of the Inuit Heritage Trust, Nunavut Wildlife Management Board, Nunavut Implementation Training Committee, and Nunavut Social Development Council.

Paul Okalik is a Carleton alumnus, with a Bachelor of Arts in Political Science and Canadian Studies. He also holds a Bachelor of Laws degree from the University of Ottawa.

*O Canada! Our home and native land!  
True patriot love in all thy sons command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.*

*O Canada! Terre de nos aïeux,  
Ton front est ceint de fleurons glorieux.  
Car ton bras sait porter l'épée,  
Il sait porter la croix.  
Ton histoire est une épopée,  
Des plus brillants exploits.  
Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits.  
Protégera nos foyers et nos droits.*
